

The CaDRi Partnership

Capacity for Disaster Reduction Initiative

What we do

CADRI offers a unique combination of expertise, experience and resources to strengthen countries' capacities to implement the Sendai Framework for Disaster Risk Reduction (DRR).

CADRI services:

- 1 Assessment of national capacities for Disaster Risk Reduction
- 2 Multi-stakeholder engagement to develop national plans/strategies for Disaster Risk Reduction (Global target (e) of the Sendai Framework)
- 3 Facilitation of access by countries to expertise, knowledge and resources to implement their national priorities
- 4 Knowledge management and dissemination of best practices in Disaster Risk Reduction
- 5 Training modules on Disaster Risk Reduction
